Luz Rios is solidifying her place in the Latin music scene. In 2009, Luz was nominated for two Latin Grammys, Two Billboard Latin Music Awards, and a Premios Lo Nuestro Award. Luz's self-written hit single "Aire" peaked at 32 on the Latin Billboard Charts. The song featured a duet with singer-songwriter Joan Sebastián, a Latin music icon who never records anything other than his own compositions.

Also In 2010 Luz Rios received 2 songwriting achievement awards from BMI. Her follow up single "Humano" also received strong national airplay. This is another song that demonstrates Luz's amazing vocal ability and songwriting skills. Humano delivers a passionate message that, in life, we are not perfect. Her current single "Es Lo Que Das Que Cuenta" is a translation and adaptation of Vince Gill's "What You Give Away". It is a powerful song eloquently delivered in Spanish which reminds us that the measure of a man is what he contributes in his lifetime.

All of these songs plus 17 other Luz Classics and a four video "Bonus" DVD are featured in **Luz's** latest release **DE LUZ CON AMOR**.

A specially priced CD/DVD combo from Luz to all of her wonderful fans.
