BIO/ARTISTS INFO:

Latin pop singer-songwriter Luz Ríos has made an indelible mark on the music scene with the release of her album "Aire." From Cuernavaca, Morelos, Mexico, Luz has been hailed as "one of the best voices I've heard in a very long time" by none other than Mexican icon singer-songwriter Joan Sebastián. Joan's admiration of Luz's work is such that he agreed to record a duet with her on the single "Aire," a rare exception for this legendary songwriter who only records his own compositions. Luz has also toured with Joan in the US and Mexico.

Her latest album "Humano" is sure to be a hit. The title track has already started getting radio airplay and the exceptional video is sure to garner more awards for this young superstar.
